

Blue Blaster is a heavy foaming coil cleaner that lifts up extreme dirt, grease, and oxidation from outdoor air-cooled condensers. The non-acid, alkaline-based formula is made with our proprietary surfactant technology for safer and effective cleaning. Coils will be left visibly cleaner, brighter, and restored to their peak efficiency.

READ ALL DIRECTIONS AND CAUTIONS CAREFULLY BEFORE USING THIS PRODUCT.

DO NOT USE ON INDOOR COILS. NOT FOR INDOOR USE. DO NOT BREATHE FUMES, VAPORS, OR SPRAY. FOR USE BY QUALIFIED PERSONNEL.

DIRECTIONS:

1. Before starting, make sure to wear eye protection, gloves, and proper personal protective equipment (PPE). The system must be shut off and disconnected from power.
2. Prepare the cleaning solution by mixing one (1) part Blue Blaster with three (3) parts water and add to a hand pump sprayer. Add water to the sprayer first, and then Blue Blaster. The concentration can be increased or decreased according to the job's requirements. **PRO TIP:** Simply add the Blue Blaster directly to our Coil Cannon Automatic Mixing Sprayer and adjust the dial to your desired mixing ratio for fast and easy cleaning.
3. Pre-wet the coil with water.
4. Spray the cleaning solution on the coil from the bottom to the top, allowing the foam to build on top of itself. Let the foam work its magic for 5-10 minutes.
5. Rinse thoroughly with water, making sure that all the coil cleaner has been removed from the coil. Repeat the cleaning process if necessary.
6. When finished, thoroughly rinse out the hand sprayer or Coil Cannon and restore the system to function.

DANGER: Causes severe skin burns and eye damage. May be corrosive to metals. Do not breathe mists. Wash hands thoroughly after handling. Wear protective gloves, eye protection, protective clothing. If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations. Keep only in original container. Absorb spillage to prevent material damage. Store in a corrosive resistant container with a resistant inner liner.

LEER TODAS LAS INSTRUCCIONES Y PRECAUCIONES ANTES DE USAR ESTE PRODUCTO.

NO USAR EN EVAPORADORES INTERIORES. NO ES PARA USO INTERIOR. NO INHALAR VAPORES. SOLO PARA USO DE PERSONAL CALIFICADO.

INSTRUCCIONES:

1. Antes de comenzar a usar el producto, asegúrese de proteger sus ojos, lleve guantes y el equipo de protección personal correcto. El sistema debe estar apagado.
2. Prepare la solución de limpieza mezclando una parte (1) del Blue Blaster con tres (3) de agua, verter la mezcla a un atomizador manual. La concentración puede aumentar o disminuir dependiendo de los requerimientos del trabajo. **TIP:** Simplemente añada el Blue Blaster directamente a nuestro Coil Cannon Automatic Mixing Sprayer y solo ajuste el marcador a la dilución de mezcla deseada, para una limpieza fácil y rápida.
3. Pre-moje primero la bobina con agua.
4. Rocíe el producto con el botón en la parte superior de la bobina. Deje que el producto haga su magia por 5-10 minutos.
5. Enjuague con agua, hasta que todo el Coil Cleaner haya sido removido de la bobina.

BLUE BLASTER

Foaming Condenser Coil Cleaner

CONCENTRATE

3:1
DILUTION

- Foaming Action for Lifting Heavy Dirt from Coils
- Proprietary Surfactant Technology Enhances Cleaning
- Brightens Coils and Restores Peak Efficiency

1 Quart (946.3 ml)

DANGER. CAUSES SEVERE SKIN BURNS AND SERIOUS EYE DAMAGE

6. Repita el proceso si es necesario.
6. Cuando haya terminado, enjuague el atomizador de mano o el Coil Cannon y establezca el sistema a sus funciones.

PELIGRO: Causa quemaduras graves en la piel y lesiones oculares. Puede ser corrosivo para los metales. No respire los vapores. Lávese bien las manos después de manipular. Use guantes de protección, protección ocular y ropa de protección. En caso de ingestión: Enjuague la boca. NO induzca vomito. Si en la piel (o el pelo): Quite inmediatamente la ropa contaminada. Enjuague bien con agua. Lave la ropa contaminada antes de usar. Si es inhalado: Remueva la persona al aire fresco y mantenga cómoda para respirar. Inmediatamente llame al centro de envenenamiento o al médico. Si en los ojos: Enjuague cuidadosamente con agua por varios minutos. Remueva los lentes de contacto, si están presentes y fáciles de hacer. Continúe enjuagando. Guarde bajo llaves. Elimine el contenido y el recipiente de acuerdo con las ordenanzas locales, estatales, y reglamentos nacionales. Mantenga solamente en el envase original. Absorba el vertido que no dañe otros materiales. Almacene en un recipiente resistente a corrosión con un revestimiento interior.

CONTAINS (CAS#): Water (7732-18-5), Caustic Soda (1310-72-2), Sodium Gluconate (527-07-1).

HMIS RATINGS: Health - 3, Flammability - 0, Reactivity -1, Personal - C.
