HVAC GUYS MINI SPLIT AIR CONDITIONER CLEANING COVER

HVAC GUYS MINI SPLIT AIR CONDITIONER CLEANING COVER

THE ESSENTIAL MINI SPLIT CLEANING KIT

The kit includes the waterproof cleaning cover bag, a 9ft drain pipe, 2 plastic side support plates, and a front and rear overspray guard.

REUSABLE DURABILITY
This cover is made from durable double layer waterproof fabric and can be used many times. It is suitable for DIY as well as professional use.

360 DEGREE WATERPROOF DESIGN

Our cleaning cover is made with a high-density waterproof fabric to fully cover your Mini Split and prevent water overspray while cleaning with pressurized water and coil cleaners.

Made in China

EASY TO INSTALL

1 Remove the A/C filter and housing, and cover any exposed electronics

2 Hold both sides of the support panel, and stretch the cleaning cover around the mini split

3 Insert the rear overspray guard between the A/C and the wall, and the front guard on the front of the cleaning cover

4 Insert the drain pipe into the cleaning cover outlet and position the other end into a bucket
