

⚠ DANGER: Extremely flammable gas. Flammable to open flame or spark. **NOT INTENDED** for use in systems designed for non-flammable refrigerants. Contains gas under under pressure. May explode if heated. May displace oxygen and cause rapid suffocation. **DO NOT INCINERATE. NO SMOKING.**

PRECAUTIONS: Keep away from heat, hot surfaces, open flames, sparks. Leaking gas fire: Do not extinguish unless leak can be stopped safely. Eliminate all ignition sources if safe to do so. Harmful to aquatic life. Dispose of contents/container according to local, regional, national, and international regulations.

FIRST AID:

INHALATION: When symptoms occur: go into open air and ventilate suspected area. Immediately call a **POISON CENTER** or doctor/physician.

SKIN CONTACT: If frostbite or freezing occurs, immediately flush with plenty of lukewarm water to **GENTLY** warm the affected area. Do not use hot water. Do not rub affected area. Get immediate medical attention.

EYE CONTACT: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a **POISON CENTER** or doctor/physician.

INGESTION: Do not induce vomiting. Immediately call a **POISON CENTER** or doctor/physician.

IN CASE OF FIRE:

SUITABLE EXTINGUISHING MEDIA: Dry chemical powder, alcohol-resistant foam, carbon dioxide (CO₂).

UNSUITABLE EXTINGUISHING MEDIA: Do not use a heavy water stream. Use of heavy stream of water may spread fire.

**ONLY FOR USE BY
QUALIFIED PERSONNEL**

R290 Refrigerant

Net Weight 8oz (226g)

STAND UPRIGHT FOR CHARGING

DIRECTIONS FOR USE:

1. Pull a vacuum to check for leaks.
2. If you have a leak, **DO NOT** install this product without fixing the leak and verifying that the leak is fixed. **DO NOT** expose to any ignition source.
3. Install self-sealing can top tap adapter (not included)
4. Stand can **UPRIGHT** to charge.
5. Charge the refrigerant into the unit following the manufacturer's specifications for the unit.
6. Dispose of waste material in accordance with all local, regional, national, and international regulations.

NOTE: This product is approved by the US EPA with special use restrictions (defined in 40 CFR Part 82.172) for new food refrigerators, food freezers, stand-alone units, some industrial applications, and new room air conditioners clearly identified for use with this refrigerant, among other uses as approved by the EPA. This refrigerant may only be used in new equipment specifically designed and identified by the EPA for R-290 refrigerant use, and may not be used as a conversion or "retrofit" refrigerant for existing equipment.
