

### The HVAC Guys Philosophy

We are just two HVAC Guys bringing you the same products that we use on our own jobs. We've tried virtually everything to make sure we give you the best products at the best prices. As a small company, every single client is important to us. That's why we offer a **100% SATISFACTION GUARANTEE** on all our products. You can reach out to us at [info@hvacguysproducts.com](mailto:info@hvacguysproducts.com) or 312-763-9598.

### Foam Blaster Coil Cleaner

**SUPERCHARGE** your coil cleaning with the HVAC Guys Foam Blaster penetrating coil cleaner. Field tested and used by fellow HVAC professionals, the high pressure spray and delayed foaming action will liquify grime and deodorize dirty coils and drain pans. The Foam Blaster is made to effectively clean both evaporators (no rinsing required) and condensers. This product is made for professional use. Always use eye/face protection and protective gloves.

#### Step 1:

Turn off and disconnect power from the equipment. Inspect the coil and remove any large or obvious dirt.

#### Step 2:

Shake can vigorously and apply the Foam Blaster from the bottom to the top. Fully saturate the coil.

#### Step 3:

Wait 5-10 minutes to let the foam liquify and loosen contaminants on the coil.

#### Step 4:

For Evaporator Coils: No rinsing is required. Simply turn on the unit and let the condensate water rinse off the chemical and liquified dirt.

For Condenser Coils: Rinse off dirt and chemical with water.

# FOAM BLASTER

## Coil Cleaner For Evaporator & Condenser Coils

- No-Rinse on Evaporators
